Subject Person Information

Subject Person Information (1)

Q1

Subject persons are required, for each of the questions included in this questionnaire, to choose the answer option that is best suited to the subject person. The FIAU acknowledges that the answer options defined by it do not always fully capture the actual situation within each subject person. When choosing from the answer options available it is therefore important to select an option that is a true reflection of the actual situation within the subject person's operations. In the text box, you can formulate general remarks on the subject person's operation. Please note that these general remarks are not taken into account in the initial automated analysis of the answers submitted.

The answers submitted are subject to quality checks by the FIAU from time to time, and therefore it is essential to provide a true and fair reflection of the current situation.

PEPs (1.1)

(Relates to Investment Services & Securities Markets)

Q27

Of the total customer base, how many natural persons were PEPs (including family members and close associates), as at the end of the prior calendar year?

Regulation 2(1) of the PMLFTR defines a PEP as a natural person who is or has been entrusted with a prominent public function, other than middle ranking or more junior officials. The PMLFTR The Government Gazette no. 20,602 published on 6 April, 2021 provides an exhaustive list of public functions that are considered to be prominent public functions and would therefore render the holder thereof a PEP. Regulation 11(8) of the PMLFTR defines the term "family members" as including:(i) the spouse, or a person considered to be equivalent to a spouse;(ii) the children and their spouses, or persons considered to be equivalent to a spouse; and(iii) the parents. The list of 'family members' is not an exhaustive list and therefore subject persons should consider whether other family relationships in specific circumstances may be considered to be similar to those under the indicative list in the PMLFTR. Regulation 11(8) also defines the term "close associates" as:(i) a natural person known to have joint beneficial ownership of a body corporate or any other form of legal arrangement, or any other close business relations, with that politically exposed person;(ii) a natural person who has sole beneficial ownership of a body corporate or any other form of legal arrangement that is known to have been established for the benefit of that politically exposed person.
