The questions included in this document should not be considered as final and may be subject to amendments.

General remarks from the subject person:

As indicated in the Guidance for Completion of the Anti-Money Laundering and Countering the Financing of Terrorism Risk Evaluation Questionnaire, sole practitioners and entities should, for each of the questions included in this questionnaire, choose the answer option that is best suited to them / their internal organization.

The FIAU acknowledges that the answer options defined by it do not always fully capture the actual situation within each subject person. When choosing from the answer options available, it is therefore important to select an option that is a true reflection of your actual situation / the actual situation within your entity and that can be justified later on.

In the text box, you can formulate general remarks on the answers submitted by you / your entity. Please note that these general remarks are not taken into account in the initial, automated analysis of your / your entity's answers.
