Equal opportunity and disability statement

ICA welcomes applications from students with additional support needs as a result of a disability, medical condition or specific language difficulty e.g. dyslexia.

All applications will be considered under the same criteria as other applications. You are encouraged to contact the ICA team (studentservices@int-comp.org) to discuss any requirements you may have relating to your study or other needs as soon as possible.

This is so that we can take all reasonable steps to ensure your needs are met and that the relevant staff are informed of support requirements at the earliest opportunity.

ICA will take all reasonable steps to ensure that applicants who meet the academic criteria will not be excluded from the course that interests them for reasons relating to their disability. However, there may be rare occasions that we would be unable to meet an individual's needs, but this would be discussed in detail and every avenue investigated before a decision was made.
